Agenda: Review of work prior to NAAC visit.

MEM — The following points were discussed/suggested  
in meeting

1. The preparation were reviewed in accordance

- to NAAC visit.
2. It has been identified that NAAC basically assess college as an entity with Quality as the main parameter.
  3. An Institute is assessed for efforts in the quality initiative, quality sustenance and quality enhancement.
  4. Quality checks are mainly focused on the five core values.

- i. Contribution to national development
- ii. Inculcating Value Systems among the students
- iii. Fostering of global Competencies among the students
- iv. Promoting use of ICT (Information and Communications Technology)
- v. in the administration, academic & finance
- vi. Quest for Excellence.

5. These five core values are validated by the practices prevailing in the institutes by means of Seven Criteria Spread over 32 key aspects.
6. It was put forth before how that, NAAC peer team is neither a fault finding Committee nor a regulating authority but to assess an Institute for its quality related activities.
