OUR VISION

To become a center of excellence in engineering education, by providing the standard academics that connects knowledge, practice and research.

OUR MISSION

To foster engineering graduates by providing a continuously improving academic environment that promotes the advancement of engineering knowledge, both in creation and dissemination.

FROM THE PRINCIPAL'S DESK

Prof Ram Meghe College of Engineering & Management is part of VYMS Group which is pioneer in imparting engineering education in Maharashtra. Established in the year 2009, PRMCEAM is one of the premier institutes with the tagline "Feel the difference, be the difference" strives to engage its students in a different learning experience by providing the conventional offline teaching methodology strongly supported by the state-of-the-art education technology with student friendly online teaching portal.

PRMCEAM within a short span of 13 years has successfully shaped engineering graduates with the view to the century's well rounded leaders in technology, management & innovation. And we will continue to make engineering degree obtained through PRMCEAM a special key to doorways of great opportunities.
